Uzair M. Umair

Front-End Developer | HTML5 | CSS3 | JavaScript

+92 370 7429349 | uzairprivv@gmail.com | Karachi, Pakistan | **Portfolio: uzairumair.vercel.app**

PROFESSIONAL SUMMARY

Entry-level front-end developer with hands-on experience building responsive, mobile-ready interfaces using HTML5, CSS3, and JavaScript. Comfortable turning layouts into clean, usable web pages, adding interactivity through DOM manipulation, and using Firebase for basic web features. Currently studying MERN Stack Development at Saylani Mass IT Training (SMIT), with growing knowledge of React.js, Node.js, Express.js, and MongoDB. Seeking a front-end internship or junior web development role where I can contribute, learn, and grow.

TECHNICAL SKILLS

Front-End: HTML5, CSS3, JavaScript
Web Development: Responsive Web Design, DOM Manipulation, Semantic HTML, CSS Flexbox, CSS Grid, UI Implementation
Platforms: Firebase (basic), Vercel
Currently Learning: React.js, Node.js, Express.js, MongoDB

PORTFOLIO & DEVELOPMENT WORK

Front-End Development Portfolio | Live: **uzairumair.vercel.app**

- Built responsive page layouts and interactive front-end features using HTML5, CSS3, and JavaScript, with attention to clean structure and mobile usability.
- Used responsive design, DOM manipulation, UI implementation, and basic Firebase integration where appropriate.
- Published web work on Vercel so projects can be reviewed directly in the browser.

TRAINING

MERN Stack Development - In Progress | Saylani Mass IT Training (SMIT)

- Currently learning MongoDB, Express.js, React.js, and Node.js while continuing to strengthen front-end fundamentals through practice.

Web Development Course | Bano Qabil Institute

- Built a foundation in website structure, HTML, CSS, JavaScript, responsive layouts, and practical problem-solving.

Additional Training: Graphic Designing - Saylani Mass IT Training (SMIT)

EXPERIENCE

Excel Data Entry & Spreadsheet Work - Shop / Freelance | 2024-2026

- Managed data entry, spreadsheet reports, data cleaning, formulas, formatting, and organized business records with accuracy.
- Kept files and records structured, completed routine spreadsheet tasks on time, and maintained close attention to detail.
