PROFESSIONAL SUMMARY

Motivated and creative Graphic Design student with training from Saylani Mass IT Training Program (SMIT). Skilled in visual design, layout creation, typography, color combinations, and social media design. Also experienced in Excel data entry and basic web development, with a strong interest in building a professional career in digital design.

CAREER OBJECTIVE

Seeking a Graphic Design Internship where I can improve my Adobe Photoshop and Illustrator skills, work on real client projects, and grow under professional guidance.

TRAINING

- **Graphic Designing Student — Saylani Mass IT Training Program (SMIT)**
Learning Adobe Photoshop, Adobe Illustrator, typography, layouts, branding, poster design, and social media creatives.
- **Web Development Trainee — Bano Qabil Institute**
Learned basic HTML, CSS, JavaScript, website structure, and responsive layouts.

EXPERIENCE

- **Excel Data Entry & Spreadsheet Work — Shop / Freelance Experience**
📅 2024–2026
Worked on data entry, spreadsheet management, data cleaning, reports, formatting, formulas, and organized business records accurately.
